

RESOLUTION NO. 4942

A RESOLUTION OF THE MAYOR AND CITY COUNCIL OF
THE CITY OF WESTMINSTER ESTABLISHING FEES AND
CHARGES FOR SPECIAL SERVICES PROVIDED BY THE
CITY OF WESTMINSTER

WHEREAS, the Mayor and City Council of the City of Westminster has approved the study entitled "Cost of Services Study for the City of Westminster" dated April 26, 2019, and prepared by Revenue & Cost Specialists, LLC (RCS); and

WHEREAS, the study was performed by RCS to determine the total costs of providing special services by the City of Westminster; and

WHEREAS, by adoption of Ordinance No. 2097 on October 11, 1988, the City Council has adopted the Fee and Service Charge Revenue Cost Comparison System to recover the costs reasonably borne for special services;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and City Council of the City of Westminster that in order to implement the cost recovery program and to incorporate all other such fees previously adopted by the City Council, Exhibit "A" of this resolution is attached hereto and made a part of the resolution setting forth the fees to be collected for the services enumerated herein; and

BE IT FURTHER RESOLVED that the accurate billing and collection of amounts invoiced under exhibit "A" are critical to the City's cost recovery program and unpaid invoices unreasonably increase the taxpayer's burden, the Finance Director is authorized to take appropriate steps to ensure collection of amounts owed including, but not limited to, combining all accounts due for services into a single invoice or account, adding past due amounts to water or business license accounts to be collected when the account is due or renewed, as well as filing court actions and sending past due accounts to collection agencies.
