### **State issues mandate for closures and modifications of previously-opened businesses, including restaurants and bars**

WESTMINSTER, Calif. - The State of California has announced a mandate to close indoor operations for the following business sectors, effective immediately and for at least three weeks:

- Restaurants
- Wineries and tasting rooms
- Movie theaters
- Family entertainment centers such as bowling alleys, miniature golf, batting cages and arcades
- Zoos and museums
- Cardrooms

All bars, brewpubs, breweries, and pubs must close both indoor and outdoor operations.

Restaurants in Westminster interested in providing outdoor dining may apply for a temporary outdoor dining permit. For more information, contact the city's Planning Division at (714) 548-3247 or visit the city's website for an [application](#).

The modification of operations in business sectors is part of the State of California's "[Resilience Roadmap](#)," aimed at eventually lifting the stay-at-home order currently in place.
