

WATERING SCHEDULE FOR NEW STREET TREES

FIRST YEAR PERIOD

1 st Month:	Water twice a week
2 nd to 3 rd Month:	Water weekly
4 th to 8 th Month:	Water every two weeks
9 th to 12 th Month:	Water every three to four weeks

SECOND AND THIRD YEAR PERIOD

Every four to six weeks throughout the year.

FOURTH YEAR AND BEYOND

Watering schedule will be the same as the third year and more frequently during the summer.

***** NOTE *****

Fill tree wells to a minimum of two inches (2") of water each time, approximately twenty (20) gallons.

DO NOT fertilize the tree for the first year.
