RECOMMENDATION: That the Planning Commission uphold the Director's denial of an Administrative Adjustment.

CEQA COMPLIANCE: The proposed matter is found to be Statutorily Exempt from further environmental assessment under the provisions of CEQA Section 15270, since CEQA does not apply to projects which a public agency rejects or disapproves.

If approved, the project is still found to be exempt per Class 5 (Section 15305 Minor Alterations in Land Use Limitations of the CEQA Guidelines), since the project involves a request for parking spaces that are less than the minimum required width of 9 feet, and the project would not result in any change in land use or density.
