Applicant: Walsh Properties, LLC – Dane McDougall, Authorized Agent

Staff Report

The applicant has applied for a conditional use permit proposing to close the Green Lantern Mobile Home Park under the provisions of Section 17.400.090, et. seq. (Mobile Home Park Conversions) of the Westminster Code (WMC). As part of the application process, the applicant is required to prepare and submit a Conversion Impact Report.

The WMC requires the Planning Commission to hold a public hearing to take testimony on the Conversion Impact Report within thirty (30) days of the report being deemed complete. No action is required by the Commission other than to take the testimony of interested parties.

The Legal Aid Society of Orange County is representing the residents of the Green Lantern Mobile Home Park and has requested the Commission continue this hearing. Staff recommends the Commission open the public hearing as required by the WMC, take testimony only from those interested parties who cannot attend the future meeting and then continue the public hearing to February 26, 2018.

CEQA COMPLIANCE: Since the Commission takes no action on it, the submittal of the Conversion Impact Report is not a project as defined by the California Environmental Quality Act (CEQA). Therefore, no environmental review is required of the CIR.

AGENDA

February 12, 2018

The underlying application for the conditional use permit (CUP) to close the park is a project as defined by CEQA. Environmental review of the CUP is underway and will be completed before the Commission holds its hearing and takes action on the CUP, as is required by CEQA.
