UPCOMING COMMUNITY OPEN HOUSE

Join us to continue the conversation!

The Westminster Mall Specific Plan (WMSP) is available for public review. Come learn more about the City's planning efforts and how the community's feedback was incorporated in the WMSP. You'll also have a chance to speak one-on-one with project team members about topics such as land use, traffic, open space, and placemaking. This is your opportunity to share your ideas and feedback before the WMSP is presented to Planning Commission and City Council in the Fall.

Bring your friends and family

Interactive activities for kids will be provided. Spanish and Vietnamese interpreters will be available on site.
