

I am running for City Council because the politicians at City Hall have failed us.

Instead of addressing problems like homelessness and crime, the Mayor and City Council are busy raising our sales tax and fighting about which one of them gets to go to Las Vegas.

On average, a Westminster resident pays \$750 more for a vehicle than someone living in nearby cities. It does not stop at purchasing a car.

We pay more when we shop in Westminster. We pay more when we eat in Westminster.

Don't take my word for it. Compare the new sales tax rates for yourself:

Westminster' Sales Tax: 9.25%

Anaheim' Sales Tax: 7.75%

Midway City' Sales Tax: 7.75%

Huntington Beach' Sales Tax: 7.75%

What are we getting in return?

I still see potholes in our streets. I still see homeless encampments in our parks. I still see abandoned mattresses and furniture on our sidewalks.

This city deserves leaders who will fight for us instead of against us, the taxpayers.

In this election, I humbly ask for your vote so we can restore fiscal sanity to City Hall.

Vote Hauwie Tieu!
